

Index of Diseases

Encyclopedia of Medicinal Plants

Abscesses	689
Ache, kidney, see Lumbago	658
Ache, rheumatic, see Rheumatic pain	657
Ache, stomach	420
Aches and Neuralgia	142
Acid, uric, excess of, see Gout	647
Acidity, stomach	418
Acne	687
Affections, heart	213
AIDS	742
Alcoholism	776
Alimentary intoxication, see Salmonellosis	740
Alkalizing plants	645
Allergy	777
Alteration, heartbeat rate, see Arrhythmia	214
Alternatives to coffee	177
Alternatives to tea	177
Amebic dysentery, see Amebiasis	740
Amebiasis	740
Anal eczema	539
Anal fissure	539
Analgesic plants, see Aches and neuralgia	142
Anaphrodisiac plants	604
Anemia	263
Angina pectoris	214
Angor pectoris, see Angina pectoris	214
Anorexia, see Appetite, lack of	347
Anthocyanines, plants with	128
Antidiarrheic plants	480
Antirrhematic plants	655
Antiscorbutic plants	645
Antispasmodic plants	147
Antitussive plants	288
Anxiety	141
Anxiolytics, see Nervousness and anxiety	141
Aphonia	203
Aphrodisiac plants	602

Appetite, excess of, see Bulimia	648
Appetite, lack of	347
Arrhythmia	214
Arteriosclerosis	228
Arthritis, uric, see Gouty arthritis	659
Arthritism, see Gouty arthritis	659
Arthrosis	659
Ascitis, see Fluid in the abdomen	380
Asthenia	140
Asthma	283
Attack, heart	214
Back ache, see Lumbago	658
Bad breath	347
Bad taste in mouth	187
Balsamic plants	289
Beauty, skin	686
Bechic, plants, see Throat, irritation	201
Belches, see Stomach gas	421
Biliary colic	381
Bites, insect	776
Bites, reptile	776
Bites, snake	776
Blepharitis	129
Bloated stomach	420
Blood flow, lack of	228
Blood thinning plants	263
Blood in the sputum, see Hemoptysis	284
Blood in urine, see Hematuria	552
Bones, weakness, see Osteoporosis	659
Brain circulatory insufficiency, see Lack of blood flow	228
Breast feeding, infection of breast, see Mastitis	616
Breath, bad, see Bad breath	347
Bronchitis	282
Bronchodilator plants	288
Brucellosis	740
Bruises, see Contusion	656
Bulimia	648
Burns	775
Calculi, urine, see Urinary lithiasis	550
Callus	683

Cancer	777
Cardiopathy, see Heart affections	213
Cardiotonic plants	212
Cellulitis	686
Cephalalgia, see Headaches	143
Cervicitis	620
Chilblains	229
Children, sedative plants	146
Cholelithiasis, see Gall bladder dysfunction	380
Cholera	740
Choleretic and cholagogue plants	382
Cholesterol, plants against high	229
Chondilloma and papilloma	683
Chronic gastritis	423
Cirrhosis, see Hepatitis	379
Coffee, alternatives to	177
Cold, chilblains	229
Colic, kidney	551
Colitis	482
Conjunctivitis and blepharitis	129
Constipation	485
Contusion	656
Convalescence	739
Cornea, inflammation, see Keratitis	130
Corns, see Callus	683
Cough	285
Cracks, skin	683
Cystitis	554
Dandruff	688
Depression, immune system, see Low defenses	738
Depression, nervousness	140
Depurative treatment	647
Diabetes	648
Diarrhea, see Gastroenteritis	481
Difficult digestion, see Dyspepsia	419
Digestion, disorders, see Dyspepsia	419
Digestive plants	348
Diphtheria	740
Diseases, febrile, see Febrile diseases	738
Diseases, psychosomatic	142

Diuretic plants	556
Dropsy	552
Dry skin	687
Dysentery	482
Dysmenorrhea	617
Dyspepsia	419
Ear, pain (picture caption)	204
Eczema	685
Eczema, anal	539
Edema	552
Emetic plants	417
Emmenagogue plants	621
Enuresis	555
Epilepsy	144
Epistaxis, see Nose, bleeding	203
Erythema pernio, see Chilblains	229
Excess of appetite, see Bulimia	648
Excessive menstruation	618
Excessive perspiration	687
Excessive perspiration of feet, see Foot, disorders	660
Excessive sexual excitation	604
Expectorant plants	286
Eye fatigue (Picture caption)	130
Eyelids, inflammation, Conjunctivitis and blepharitis	129
Eyes, baths (Picture caption)	130
Eyes, itching (Picture caption)	130
Fainting	228
Fatigue and asthenia	140
Febrile diseases	738
Feet blisters, see Foot, disorders	660
Female sterility	616
Fermentation, intestinal	479
Fever, Malt, see Brucellosis	740
Fever, typhoid	741
Fissure, anal	539
Fluid in the abdomen	380
Fluid, retention, see Edema	552
Foot bruises, see Foot disorders	660
Foot disorders	660
Fragile nails	688

Fungi, skin, see Skin mycosis	689
Furuncles and abscesses	689
Galactofuge plants	615
Galactogenic plants	615
Gall bladder, dysfunction	380
Gargles, plants for	204
Gas, intestinal	478
Gas, stomach	421
Gastric hemorrhage	421
Gastric hypotonia, see Bloated stomach	420
Gastric juice, lack of	418
Gastric ptosis, see Bloated stomach	420
Gastritis	422
Gastroenteritis	481
Gingivitis	188
Gout	647
Gouty arthritis	659
Growth, tooth	187
Gumboil	188
Gums, disorders, see Pyorrhea, gingivitis and parodontosis	188
Hair loss	688
Halitosis, see Bad breath	347
Headaches	143
Heart affections	213
Heart diseases	212
Heart insufficiency, see Plants, cardiotonic	212
Heart, arterial afflictions, see Angina pectoris	214
Heartbeat rate alteration, see Arrhythmia	214
Hematoma	263
Hematuria	552
Hemoptysis	284
Hemorrhage	264
Hemorrhoids	540
Hemostatic plants	262
Hepatic colic, see Biliary colic	381
Hepatitis	379
Herpes	690
High blood pressure	227
Hoarseness, see Aphonia	203
Hypermenorrhea, see Excessive menstruation	618

Hypertension, see High blood pressure	227
Hyperthyroidism	648
Hyperuricemia, see Gout	647
Hypochlorhydria, see Lack of gastric juice	418
Hypotension, see Low blood pressure	227
Hypothyroidism	648
Immune system depression, see Low defenses	738
Incontinence, urinary	555
Infection, breast, see Mastitis	616
Infection, kidney, see Pyelonephritis	553
Infection, mammary glands, see Mastitis	616
Infection, urinary	554
Infection, urine, see Urinary infection	554
Infection, urine bladder, see Cystitis	554
Influenza	742
Insect bites	776
Insomnia	142
Insufficiency, heart, see Plants, cardiogenic	212
Insufficiency, kidney, see Nephritis and nephrosis	553
Intellectual, insufficient performance	143
Intestinal atony	485
Intestinal colic	483
Intestinal dysbacteriosis	479
Intestinal fermentation	479
Intestinal flora, alterations, see Intestinal dysbacteriosis	479
Intestinal gas	478
Intestinal parasites	486
Intestinal roundworms, see Intestinal parasites	486
Intestinal spasm, see Intestinal colic	483
Intestinal worms, see Intestinal parasites	486
Intestine, atony	485
Intestine, colic	483
Intoxication	775
Invigorant plants, see Fatigue and asthenia	140
Irregular menstruation	618
Irritable bowel syndrome	483
Irritation, skin	684
Itching eyes (Picture caption)	130
Itching, skin, see Skin pruritus	684
Itching, throat, see Throat irritation	201

Joint sprain, see Sprain	657
Keratitis	130
Kidney ache, see Lumbago	658
Kidney colic	551
Kidney insufficiency, see Nephritis and nephrosis	553
Lack of appetite, see Appetite, lack of	347
Lack of blood flow	228
Lack of gastric juice	418
Laryngitis	202
Laxative plants	484
Leucorrhea	620
Lice, bites, see Pediculosis	777
Lip sores	187
Lithiasis, renal, see Urinary lithiasis	550
Lithiasis, urinary	550
Liver insufficiency, see Liver, dysfunction	379
Liver stones, see Gall bladder dysfunction	380
Liver, dysfunction	379
Liver, toxicity	380
Loss of hair	688
Loss of memory	144
Loss of vision, see Vision, diminished	130
Low blood pressure	227
Low defenses	738
Lumbago	658
Lung emphysema	284
Malaria	743
Male sterility	603
Malnutrition	646
Malt fever, see Brucellosis	740
Mastitis	616
Memory, loss of	144
Menopause	619
Menstruation, excessive	618
Menstruation, irregular	618
Menstruation, pain, see Dysmenorrhea	617
Menstruation, retention of fluids	618
Migraine	143
Mouth, bad taste in	187
Mouth, inflammation, see Stomatitis	189

Mouth ulcers	187
Mucolithic plants	289
Multiple sclerosis	144
Organic diseases of the nervous system	144
Mycosis, skin	689
Myocardial infarction	214
Nails, fragile, see Fragile nails	688
Narcotic plants	146
Neck of the uterus, infection, see Cervicitis	620
Nephritis and nephrosis	553
Nephrosis	553
Nervous system, organic diseases of the	144
Nervous tension, see Stress	141
Nervousness and anxiety	141
Nervousness depression	140
Nervousness, stomach	421
Neuralgia	142
Neurasthenia, see Nervousness and anxiety	141
Nipple sores	616
Nose, bleeding	203
Nose, inflammation, see Rhinitis	203
Obesity	646
Organic diseases of the nervous system	144
Osteoporosis	659
Ovary, insufficiency	619
Oxytotic plants	621
Pain in the ear (picture caption)	204
Pain, rheumatic	657
Palpitations	213
Pancreatic, insufficiency	381
Papilloma	683
Parasites, intestinal	486
Parkinson disease,	487
Parodontosis	188
Pectoral plants	285
Pediculosis	777
Perspirant plants	737
Pharyngitis	201
Phlebitis	249
Plants against high cholesterol	229

Plants for gargles	204
Plants for stomatitis	189
Plants with anthocyanines	128
Plants with capillary protecting action	248
Plants, alkalizing	645
Plants, anaphrodisiac	604
Plants, antidiarrheic	480
Plants, antirheumatic	655
Plants, antiscorbutic	645
Plants, antispasmodic	147
Plants, antitussive	288
Plants, aphrodisiac	602
Plants, balsamic	289
Plants, blood thinning	263
Plants, bronchodilator	288
Plants, capillary protective	248
Plants, cardiogenic	212
Plants, choleric and cholagogue	382
Plants, digestive	348
Plants, diuretic	556
Plants, emetic	417
Plants, emmenagogue	621
Plants, expectorant	286
Plants, galactofuge	615
Plants, galactogenic	615
Plants, hemostatic	262
Plants, hypolipemic, see Cholesterol, plants against high	229
Plants, laxative	484
Plants, mucolytic	289
Plants, narcotic	146
Plants, oxytocic	621
Plants, pectoral	285
Plants, perspirant	737
Plants, purgative	477
Plants, remineralizant	645
Plants, revulsive	658
Plants, sedative	145
Plants, sedative, for children	146
Plants, sedatives, see Nervousness and anxiety	141
Plants, urinary anti-inflammatory	549

Plants, uterine antispasmodic	621
Plants, vasoconstricting	229
Plants, vasodilating	229
Pneumonia	283
Portal hypertension, see Fluid in the abdomen ,	380
Pregnancy	616
Premature ejaculation	604
Proctitis	539
Prostate hypertrophy, see Prostate, afflictions	603
Prostate, afflictions	603
Prostatitis, see Prostate, afflictions	603
Psoriasis	686
Psychosomatic diseases	142
Purgative plants	477
Pyelonephritis	553
Pyorrhea, gingivitis, and parodontosis	188
Pyrosis, see Stomach acidity	539
Remineralizant plants	645
Reptile bites	776
Retention of liquids, see Edema	552
Retention of liquids before menstruation,	618
Revulsive plants	658
Rheumatic pain	657
Rheumatism, plants against	655
Rhinitis	203
Rickets	660
Ringworm	690
Roughness, see Callus	683
Roundworms, intestine, see Intestinal parasites	486
Salmonellosis	740
Sand in the urine, see Urinary lithiasis	550
Scabies	690
Sciatica	658
Scurvy, plants against	645
Sedative plants	145
Sedative plants for children	146
Sexual hyperexcitation, see Excessive sexual excitation	604
Sexual impotence	604
Sexual, excessive excitation	604
Sinusitis	202

Skin beauty	686
Skin cracks	683
Skin dryness	687
Skin fungi, see Skin mycosis	689
Skin irritation	684
Skin itching, see Skin pruritus	684
Skin mycosis	689
Skin pruritus	684
Skin sores	682
Skin stretch marks	688
Sleeplessness, see Insomnia	142
Sore throat, see Tonsillitis and pharyngitis	201
Sores, lips	187
Sores, nipple	616
Spasm, intestinal, see Intestinal colic	483
Sports	660
Sprain	657
Sputum, blood in the, see Hemoptysis	284
Stomach ache	420
Stomach acidity	418
Stomach gas	421
Stomach nervousness	421
Stomach ulcer	423
Stomach, hemorrhage	421
Stomach, lack of juice, see Lack of gastric juice	418
Stomatitis, plants for	189
Stones in the urine, see Urinary lithiasis	550
Stress	141
Stretch marks, skin	688
Students, see Insufficient intellectual performance	143
Sty	130
Sugar in the blood, excess, see Diabetes	648
Swelling before menstruation	618
Syphilis	740
Tachycardia	213
Taste in mouth, bad	187
Tea, alternatives to	177
Throat itching, see Throat, irritation	201
Teething	187
Throat, irritation	201

Throat, sore, see Tonsillitis and pharyngitis	201
Thrombosis	264
Thyroid, hyperfunction, see Hyperthyroidism	648
Thyroid, hypofunction, see Hypothyroidism	648
Tobacco addiction	776
Tonsillitis, see Tonsillitis and pharyngitis	201
Tonsillitis and pharyngitis	201
Toothache	188
Toxinfection, alimentary, see Salmonellosis	740
Treatment, depurative	647
Tuberculosis	743
Typhoid fever	741
Ulcer, stomach	423
Ulcers, mouth, see Mouth ulcers	187
Urethritis	555
Uric acid, excess of, see Gout	659
Urinary anti-inflammatory plants	549
Urinary calculi, see Urinary lithiasis	550
Urinary incontinence	555
Urinary infection	554
Urinary lithiasis	550
Urine calculi, see Urinary lithiasis	550
Urine, blood in, see Hematuria	552
Uterine antispasmodic plants	621
Vaginal flow, see Leukorrhoea	620
Vaginitis, see Leukorrhoea	620
Varicose ulceration	250
Varicose veins	249
Vasoconstricting plants	229
Vasodilating plants	229
Veins, inflammation, see Phlebitis	249
Vision, diminished	130
Vitamin C, plants against lack, see Antiscorbutic plants	645
Vomiting	420
Warts	683
Weight loss	646
Whooping cough	741
Worms, intestinal, see Intestinal parasites	486
Wounds and sores	682
